

Jacksonville, FL Hotel Staff Makes Dreams Come True

Fairfield Inn & Suites Jacksonville West Chaffee/Point recently volunteered with the Jacksonville Jaguars to make Dream Day 2015 a successful event

JACKSONVILLE, FL – (June, 19, 2015) – In early June, Fairfield Inn & Suites Jacksonville West/Chaffee Point made dreams come true as they took part in another philanthropic project. Dreams Come True of Jacksonville is the First Coast’s only local non-profit organization, and its mission is even more remarkable. The organization grants the dreams of local children with life-threatening illnesses in an effort to alleviate some of the struggles they face as a byproduct of their conditions.

The team at Fairfield Inn & Suites participated in the second annual Dream Day 2015, a Dreams Come True event that is designed to provide children with a magical day filled with fun and excitement. Every month, the associates at Fairfield Inn and Suites pitch a wide range of ideas for the hotel’s community service program, “Rally Around Jax.” Dream Day was the community event that the team chose for the month of June, and it was a huge success.

Volunteers from the hotel, along with the Jacksonville Jaguars and local residents, helped setup, decorate, and clean up the event. Preparing for the elaborate Dream Day 2015 was no easy feat, but surely rewarding. Director of Sales for the property, Jennifer Pierce, confirms this sentiment in her comment, “This was the June volunteer event for our team, and it was one of the best experiences that we have had the pleasure to be a part of.” “Rally Around Jax” continues to make a positive difference, and strong impact in the Jacksonville community. The program changes the lives of not only the recipients, but the volunteers as well.
