Chattanooga Riverfront Hotel Partners With Renowned Music Festival Attraction

Chattanooga, Tennessee – June 3, 2015 – Attending a concert is exciting for any fan, but the Riverbend Festival blows the traditional experience out of the water. As one of Chattanooga’s best-loved annual traditions, this riverside festival unfolds over nine days and on five stages with hundreds of performances. And putting guests in the middle of the toe-tapping and singing out loud fun is SpringHill Suites Chattanooga Downtown, located just outside the festival’s gates.

In addition to being the 2015 Riverbend official hotel sponsor, SpringHill Suites Chattanooga has again aligned with Riverbend Beach, one of Riverbend’s most popular attractions. On-lookers watch as talented artists build a train sand sculpture, honoring the Scenic City’s historic railroad heritage. Partnered with other sponsors such as Tennessee Valley Federal Credit Union, WDEF News Channel 12, the Creative Discovery Museum, and Amtrak, SpringHill Suites is proud to be supporting some

“sandtastic” and truly memorable art work.

Riverbend patrons are welcomed to stop by the Riverbend Beach area where they can enter for a chance to win a fantastic summer getaway. The lucky winner will start off this family adventure aboard Amtrak’s Crescent train in Atlanta, for a round-trip four day, three night vacation to New Orleans! Hotel accommodations compliments of SpringHill Suites by Marriott New Orleans Downtown.

While enjoying the musical stylings of some of the most popular and iconic musicians around, guests to Riverbend need not look far for some fantastic drink options. This year, SpringHill’s own Waterside Lounge will have a tent inside the music festival. Music patrons will be able to choose from wine, beer, as well as a variety of mixed drinks including Margaritas, Hurricanes, and Rum Runners.
