Carowinds is known as the Thrill Capital of the Southeast and provides the perfect summer escape for thrill-seekers and families looking for some adventure in the sun. The park is bringing two new mega water slides to Boomerang Bay for summer 2014, the first phase of a multi-million dollar investment in the park. The new slides stand over four stories high and total more than 600 feet, placing them among the tallest slides in the country.

The park also offers a full live entertainment schedule from live music to shows for kids, including Charlie Brown's All-Stars, Street Beats, PEANUTS Rockin' Party, Snoopy's Starlight Spectacular and more. Guests can book character meals with Snoopy, plus take advantage of all-day dining plans, at \$29.99 and indulge in all of the park's great food offerings.

Dinosaur lovers and kids alike can visit Carowind's Dinosaurs Alive! This dino-filled attraction offers a rare glimpse at what it must have been like to live during the Mesozoic. With full-scale animatronic dinosaurs and interactive exhibits in a lush and beautiful natural setting, guests are sure to feel as though they've transported through time.

Carowinds offers an array of family experiences from White Water Falls to Boo Blasters on Boo Hill. Guests hoping to take in a truly breathtaking vision of the surrounding region can hop aboard the Carolina Skytower and take in a 262-foot bird's eye view of the entire park, plus downtown Charlotte.
