Chattanooga, TN (January 7, 2016)- On December 15, members of 3H Group Hotel’s Corporate Team presented a check of \$3,610 to Chattanooga’s Room in the Inn.

Funds were raised during 3H Group’s annual Managers’ Conference this past October. For the duration of the 3-day conference, there was a silent auction that consisted of packages that represented each hotel that attended. Every 3H employee present at the Conference took part in raising the money for Room in the Inn.

“We value the non-profit partnerships created through our charity work and volunteer efforts,” CEO, Hiren Desai, said. “We are honored to present a check to this organization. Room in the Inn is a lesser known charity in the Chattanooga area, and we couldn’t think of a more deserving association.”

The Chattanooga Room in the Inn’s mission is to empower homeless women and children to become self-sufficient by offering a temporary home while providing programs and services necessary to meet

their goals. Chattanooga Room in the Inn is a three to nine month residential program for homeless women and children. Services provided are free of charge and include transitional housing, three meals a day, access to affordable or free health care, life skills training, parenting classes, mentoring, assistance with finding affordable housing, and case management services. This program allows the women and their children to find stability and thereby increase their opportunities and chances for independence when they leave the program.
